THE BOLD LOOK
OF **KOHLER**®

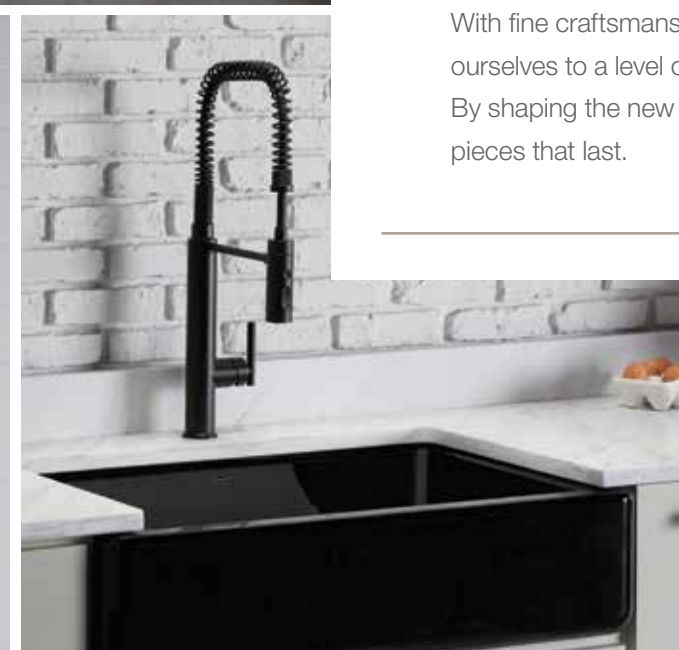

A CENTURY OF KOHLER HERITAGE, NOW FROM FLOOR TO CEILING.

Innovation. Tradition. Excellence. For nearly 150 years, Kohler has embodied the spirit of craftsmanship, guided by these uncompromising values.

Now it's time for the next frontier of that vision. It's time for the finishing touch. Introducing KOHLER® lighting: bold, original collections that share the brilliant style and enduring strength that have become synonymous with the Kohler name. Only here can you harmonize your lighting with your entire home, selecting fixtures that take their inspiration from complementary KOHLER products and finishes.

With fine craftsmanship and elevated design, we are devoting ourselves to a level of quality unmatched in the industry. By shaping the new standards for lighting, we are creating pieces that last.

Part of a coordinating KOHLER® faucet and accessory collection.

Simple lines for a bold,
contemporary statement.

The Components collection by Kohler showcases minimalism
at its finest, for a chic addition to any room. Sophisticated
forms create an architectural refinement, ensuring each piece
effortlessly complements the space it adorns.

Components sconces bring sleek minimalism to your task lighting.

MODERN FARM

Fresh warmth and beauty
in an industrial style.

Kohler brings the outside indoors with a fresh look at the modern farm style. Rustic simplicity pairs with the vintage charm of metal fixtures to create a suite of products that combines warm elegance with intriguing modernism—whether you crave a dramatic statement piece or a small finishing touch.

Remarkable design and arresting style make
the three-light chandelier a true standout.

SHOWCASE THE BRILLIANCE OF YOUR HOME.

When home decor is truly special, it's a showstopper. Introducing lacemaker by Kohler. Taking inspiration from nineteenth-century candlelight, this style features a striking design that evokes old-world majesty in collections that span contemporary, transitional and traditional design styles. The dazzling sphere of water creates illumination that offers something new from every angle. Light and water combine to bring distinctive and presence to any space in your home.

**ARTIFACTS™**

Part of a coordinating KOHLER® faucet and accessory collection.

Vintage elegance meets timeless styling.

The Artifacts collection from Kohler brings turn-of-the-century charm to a world of modern, eclectic style. Simple forms combine with intricate, romantic details, creating a versatile look that seamlessly blends with both the casual and the formal.

The seamless blend of glass, metal and linen cord in the Artifacts one-light adjustable sconce makes a stunning impact.

START WITH THE FINISH.

Variety of design is just the beginning. KOHLER® lighting is offered in an array of finely crafted finishes, each one lets you capture the unique personality and ambience of your home. Only Kohler gives you the freedom to select an option that coordinates with your faucets and accessories, or stands apart as an eclectic piece with a finish all its own.

We believe the right light changes everything, so we invite you to imagine the possibilities and bring your vision to every corner of your home.

A BRIGHT PATH LIES AHEAD.

Since the beginning, Kohler has had an eye on the future. With every new design, technology or collection, our focus is always on what's next. And as we break new ground with KOHLER® lighting, that vision remains our guiding force. We look forward to broadening our collections and deepening our style offerings for years to come, providing endless opportunities to infuse your unique personality throughout your whole home. We believe this is only the beginning—the first of an infinite number of moments to discover details that shine.
